2021 RACE RECAP

HOUSTON (January 8 - 17, 2021) - The annual Chevron Houston Marathon and Aramco Houston Half Marathon looked a bit different this year. All participants had the opportunity to #RunHouTogether from anywhere for the 2021 Virtual Houston Marathon Running Events. Our runners hit the road running wherever they chose, in Houston or in their local hometown and crossed their unique finish lines in 48 states and 30 countries across the world!

While we were not able to celebrate in the heart of downtown Houston this year, the spirit and strength of our #RunHou community stood out amongst our runners locally and afar! No matter where you ran this year know that we were rooting for you every step of the way. Our runners trained hard and achieved personal records in 2021 and plans are underway to host you for the 50th Anniversary Celebration of the Chevron Houston Marathon in 2022!
